

3rd Annual Statewide Litter Collection, Enforcement and Beautification Day

Wednesday May 6, 2009

Keep California Beautiful is highlighting public private partnerships; featuring coordinated efforts by Caltrans and California Highway Patrol to collect litter and enforce load securing statewide. The effort will also showcase public education efforts for waste reduction and recycling by California State Parks, California Integrated Waste Management Board, Department of General Services, Department of Motor Vehicles, Department of Toxic Substances Control and California Conservation Corps. State Agencies as well as non profit and for profit organizations, local governments and individuals are invited to partner with Keep California Beautiful by participating in this effort. To support the statewide California efforts by becoming a sponsor or partner for this exciting event; please contact Christine Flowers-Ewing, Executive Director of Keep California Beautiful at: cflowers@cleanca.org or call 916-368-9301.
